

Can't Eat

This is the complaint of thousands at this season. They have no appetite; food does not relish. They need the toning up of the stomach and digestive organs, which a course of Hood's Sarsaparilla will give them. It also purifies and enriches the blood, cures that distress after eating and internal misery only a dyspeptic can know, creates an appetite, overcomes that tired feeling and builds up and sustains the whole physical system. It so promptly and efficiently relieves dyspeptic symptoms and cures nervous headaches, that it seems to have almost "a magic touch."

Hood's Sarsaparilla

Is the best—in fact the One True Blood Purifier. Hood's Pills are the best after-dinner pills, aid digestion.

JOURNAL "X" RAYS.

Directed Upon Persons Prominent Before the Public.

"What does Mark Hanna say by this time?"

Bryan is booming bimetalism in Iowa, and the people turn out to hear him.

The college graduates can never let go of a chance to line up a Roman emperor.

What did Garrett A. Hobart ever do to entitle him to a second place on the ticket?

Teller evidently decided to walk out of the convention whether anyone else did or not.

Will the Statesman please tell the people who writes its fifty-cent silver dollar editorial—a banker or an office holder?

Two sets of bosses fought one another at St. Louis. It now looks as though the people were going to get in and clean them all out.

Rufus Clark of Denver, is the man who donated \$45,000 recently, to endow an United Brethren training school for missionaries in West Africa.

The change of Carlisle from a free silver man to a professional goldite, is looked upon by the people of Kentucky as the change of a hired attorney who thinks as he is paid for thinking.

Col. Cooper, of McMinnville objects to the Oregonian calling the Union Bimetallic a league. The opposition don't think it was any league that struck them in Yamhill county.

J. Pierpont Morgan, the New York gold syndicate manager, is for McKinley. He says foreigners are afraid our country will go to a silver basis. They are ready to make large investments in this country if we are sound on the gold question.

The outrage of paying the people's money to Bryan to deliver two silver speeches at the Oregon state fair, and then deliberately planning to keep the people away from him, was perpetrated by the same men who perpetrated Jeff Myers in the guise of a free silver candidate on the people of this congressional district.

Mr. Whitney would make a very good Republican—Statesman.

That is a noble conception of Republicanism. A standard-oil magnate, a corporation wrecker and bloated silk-stocking plutocrat do to Cleveland's dirty work and throttle the will of the people, is a high ideal of Republicanism. The people who are being crucified by this class, can well exclaim with our Saviour on the cross: Forgive them, etc.

The Iowa delegates to St. Louis stood 15 to 6 against the single gold standard. So radical were the goldites and bankers at that convention, they called these Iowa Republicans demoralized, panic-stricken, weak-backed cowards for not having the courage to stand up squarely to the gold standard and eat the fodder prepared for them by the large-hearted and patriotic managers of the convention from Wall street. Our Iowa exchanges say the great body of Republican voters are firmly opposed to the single gold standard, and that there are a great many cool-headed staunch Republicans in that state who do not believe their party can carry the country, or even win Iowa, on a straight gold platform. They regard it as quite certain that on such a platform they will lose a number of their congressmen. The Iowa delegates who opposed the gold standard platform in committee were Gear, Henderson, Hepburn and all except a few corporation lawyers and national bankers, who had no interest before their eyes but their own.

STATE NEWS.

About 200 head of mules and horses will be driven east from Lakeview to some point in Colorado.

Phil Brogan Jr., of Antelope, Ore., had 150 sheep poisoned. They all died under peculiar circumstances that led the owner to believe they were poisoned.

The funds for a first class creamery for Ashland have all been subscribed. The creamery will be run on the cooperative plan. The institution is to cost \$3,100. The location has not yet been decided upon.

The little daughter of Dietrich Egers was drowned by falling into the mill race of the North Pacific flour mill, which runs through his farm. A faithful dog gave the alarm, but too late. The child was beyond resuscitation.

The following is the amount of money expended per quarter in running Lane county during the administration of 1894-5: First quarter, \$6,513.68; second quarter, \$10,542.47; third quarter, \$12,431.34; fourth quarter, \$9,379.71. The Ideal Panacea. James L. Francis, Alderman, Chicago, says: "I regard Dr. King's New Discovery as an ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physicians' prescriptions or other preparations."

Rev. John Burgess, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal Church for fifty years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." Our Great Features

THE JOURNAL is pre-eminently a paper for the people, in news, politics and editorial opinions.

Farm Department

THE JOURNAL does not pretend to be an agricultural paper, but keeps up a well-edited farm department, by a competent farmer, who knows the needs of the Oregon farmer. It also contains correct market reports.

Woman's Department

A large volume of social news and good home matter of interest to the feminine part of the family is one of the attractive features of THE JOURNAL, the only newspaper in Oregon employing a lady editor.

Youth's Department

This feature is one of great value to a family with boys and girls. THE JOURNAL will not publish wishy-washy stuff in this department, but good, bracing matter, of an entertaining and educating character.

A Modern Newspaper

THE JOURNAL is the first and only paper in Oregon to meet the hard times by reducing the price and sending out only what papers are paid for in advance, and runs no bills. All papers are stopped when the time expires. This is important, and you should take the benefit of it, instead of paying out more money for poorer papers. Subscribe now, and interest your friends in THE JOURNAL, if they are not already taking it.
